Allies in Hope is a group of dedicated individuals committed to improving the lives of children. Our mission is to raise awareness and funds to support children's charities.

For this event, Allies in hope will be donating 100% of the net proceeds to St. Jude Children's Research Hospital.

- The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of our founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.
